Plan Your Visit

Only have one hour? Three? Visiting with kids? Here are some tips to make the most of your visit.

One Hour at the Museum

Great Gallery:
- M/D-21 Blackbird
- Lockheed 10E Electra

Personal Courage Wing:
- Caproni Ca.20 (WWI Gallery)
- General Motors FM-2 Wildcat (WWII Gallery)

Three Hours at the Museum

Great Gallery:
- APOJO Exhibit - (Closes January 2, 2019)

William M. Allen Theater:
- 3D Movie (Movie titles on page 9)

Space Gallery:
- Space Shuttle Trainer

Aviation Pavilion:
- Concorde
- Boeing 747
- Boeing 787

Visiting with Kids

Great Gallery:
- Flight Zone
- Cockpits
- Alaska Airlines Aerospace Education Center
- 4DX 13-seat simulator (Restrictions may apply.)

Personal Courage Wing:
- WWI Simulators (second floor)

Space Gallery:
- Spaceflight Academy Exhibit

Aviation Pavilion:
- KidPort

Audio Guides
- Available in seven different languages.
- See Admission Desk for more information.

Docent Tours

Our Docents interact with visitors, conduct talks and answer questions. But most of all, they give amazing tours! Take a tour and learn exciting facts and surprising stories about almost everything at the Museum, as our Docents unveil the guts and glory behind our amazing flying machines.

- Available every 30-min. on the hour and half hour. See Docent Desk for details.

Daily Programs

The Museum offers a wide range of programming such as lectures, kids activities, special presentations, guest speakers and more. Please see the Admission Desk for daily offerings.

Storytelling | Sun.- Fri. at 1 p.m. in Quonset Hut

A 20-min. presentation of historic stories that range from epic tales of personal heroism to the daily adventures Sunday-Friday.

Aerospace Update | Sat. 1 p.m. in Simonyi Space Gallery

A 15-min recap of the latest news in astronomy, aviation, and spaceflight from our own experts every Saturday.

Feeling Hungry?

The Museum offers two terrific places to take a break. Inside the Museum, Wings Café offers a full year-round menu of hot and cold beverages, snacks, sweet treats, sandwiches, salads and daily hot entrée specials, along with kid-friendly fare like hot dogs and PB&J. During the summer months, the Aviation Pavilion Café offers a variety of delicious beverages, sandwiches and snacks. All Museum food service is proudly provided by McCormick & Schmick’s.
The Museum’s five galleries span across both sides of East Marginal Way South with the T. Evans Wyckoff Memorial Bridge connecting the West Campus to the East Campus. There are select aircraft located outdoors on our lawns.

**East Lawn**
1. Lockheed 1049G Super Constellation
2. Glasair SII-S FT

**South Lawn**

**Return Trip Ticket**

Didn’t see it all? That’s okay!
Purchase a Return Trip Ticket to come back and visit another day at a discounted price, within 7 days of your original admission purchase.

**Tell us what you think!**
Take our survey located in the Main Lobby next to the Membership Desk.
**Museum Store**

*Bring home a keepsake to share with family and friends!*

Flight-related gifts, apparel, books, models, toys and more. All sales support the mission of The Museum of Flight. With three locations, the main lobby, the Simonyi Space Gallery and the Aviation Pavilion, you will find something for everyone on your list.

*Also available online at museumofflightstore.org.*

---

**Now Showing!**

**William M. Allen Theater**

Please see the Admission Desk for showtimes and tickets.

---

**In Saturn’s Rings**

Get an up-close view of Saturn’s rings without traveling through space. *In Saturn’s Rings,* a multiplane photo animation masterpiece narrated by Levar Burton, blends incredible images from real Saturn space missions and takes audiences on an immersive journey across the solar system.

---

**Aircraft Carrier**

One of the greatest engineering feats in the history of warfare, the modern Nimitz-class carrier is a masterpiece of technology and the flagship of the fleet. Find yourself aboard the USS Ronald Reagan alongside thousands of highly skilled sea and air personnel conducting flight operations at RIMPAC, the world’s largest and most comprehensive international maritime training exercise.

---

**Space Next 3D**

From the earliest legends of humans taking flight to the latest advances in warp speed technology, *Space Next 3D* traces our fascination with flying and our timeless desire to reach the stars. The result is an immersive experience of interplanetary excellence sure to inspire a generation of explorers, scientists, and dreamers. Discover what’s next.

---

*Movie titles subject to change.*
Explore more than 50 historic aircraft, tracing the first century of human flight, including the world’s only remaining M-21 Blackbird and learn how early rocketry led to space travel in the APOLLO exhibit.
Aerospace inventions, STEM activities and new technology.

Our new hands-on Alaska Airlines Aerospace Education Center (located in the T.A. Wilson Great Gallery) is where people of all ages can learn how to participate in our many STEM (Science, Technology, Engineering, Mathematics) programs, events and even find resources for college and career planning.

We have Exploration Backpacks that take you on adventures throughout the Museum, all are free to check-out during your visit:

**Insect Adventure Backpack** *(ages 7 and under)*
Learn about natural flight.

**Mission: Apollo Backpack** *(ages 7 and up)*
Learn about being an astronaut and early moon exploration.

**Spy in the Sky Backpack** *(ages 7 and up)*
Test your spy skills in the WWI Gallery.

Did you know?
The WWI Gallery is on the second floor because the WWI planes are lighter in weight.
After your visit to the Museum, be sure to visit our Restoration Center and Reserve Collection on Paine Field in Everett, Washington.

A group of dedicated volunteers puts in thousands of hours each year, restoring each aircraft in our collection to exhibition quality in the most historically accurate way possible.

For hours, admission rates and directions, visit museumofflight.org/restoration or call 425.745.5150.

See Aviation Come to LIFE!

Located in the T.A. Wilson Great Gallery. Restrictions may apply.

Get 30,000 ft from ground zero

With 360° rolls, you can feel the thrill of pilot/gunner combat in one of nine different aircraft!

Located in the T.A. Wilson Great Gallery. Restrictions may apply.

13-seat Motion Simulator

Located in the T.A. Wilson Great Gallery. Restrictions may apply.

Present today’s receipt for FREE admission to the Restoration Center!
Now everyone can be an astronaut! Board the famous Space Shuttle Trainer and walk in the footsteps of heroes. Discover how they learned to live and work in space and find out what’s next as we venture to the International Space Station, Mars and beyond.

Did you know?
The Museum’s Library and Archives contains over 120,000 books, manuals and journals and over 4 million photographs.
Best part? It’s open to the public! Along with the Museum’s Dahlberg Research Center, visitors can explore more of the Museum’s collection beyond what we have on display in our galleries.

For more information and hours of operation, call 206.764.5874, visit museumofflight.org/research, or send an email to curator@museumofflight.org.

Become a Museum of Flight Member today at the Visitor Services Desk, Museum Store, online at museumofflight.org or by calling our Membership Department at 206.764.5711.

The Museum’s Space Shuttle Trainer is where every Astronaut trained before going into space.

SAVE your receipt* from today’s visit and apply the admission price toward your new Museum membership!

*Can only be applied within 30 days from your visit.

Prices subject to change.
One small step. One amazing story.

Coming April 2019!
Tickets on sale in January

DESTINATION MOON

THE APOLLO 11 MISSION

Destination Moon: The Apollo 11 Mission is organized by the National Air and Space Museum and the Smithsonian Institution Traveling Exhibition Service. The exhibition is made possible by the support of Jeff and MacKenzie Bezos, Joe Clark, Bruce R. McCaw Family Foundation, the Charles and Lisa Simonyi Fund for Arts and Sciences, John and Susann Norton, and Gregory D. and Jennifer Walston Johnson. Transportation services for Destination Moon are provided by FedEx.
