Tons of Vietnam Events and Programs Coming in 2018!

2018 is going to be a big year at The Museum of Flight! As we look ahead at our public programs, exhibit openings, aircraft tours and Member Movie Nights, there are lots of fascinating events focused around the Vietnam War and welcoming home our veterans that Project Welcome Home supporters might be interested in. Although we are still planning and don't have exact dates (yet!) for many of these, we'll try to give you enough of a head up so that you can join us:

- Panel discussions and lectures about specific aircraft used in Vietnam;
- Our Member Movie Night in May will feature a Vietnam film;
- The Museum's "Wings of Heroes" Gala in June will focus on Vietnam veterans;
- A monthly Vietnam film series that will run June through September;
- Other project updates as the B-52 moves down from Paine Field this spring, site excavation begins and the park starts to take shape.

Vietnam War Commemorative Partnership

The Museum of Flight is proud to be an official partner of the United States of America Vietnam War Commemoration. This means that we have committed to hosting Vietnam-related events and programs over the next 3 years that show a sensitivity for the solemnity of war and the losses suffered by many. We hope that our new Vietnam Veterans Commemorative Park will start an important conversation in our community about the Vietnam War and the veterans from all branches of the military who served between 1964 and 1975.

Thanks to your support, fundraising for Project Welcome Home is making great progress! As we work our way towards the park's opening later this year, we want to acknowledge those who have helped us get this far. The Project Welcome Home website will soon have an electronic donor wall to recognize gifts made towards the Vietnam Veterans Commemorative Park. If you would like to be listed on the website, there is no further action required.

If you would like to be omitted from the website donor wall, or would like to be listed as anonymous, please email your preferences to Louisa Gaylord at LGaylord@museumofflight.org.

Please note that this will not have an impact on the permanent donor recognition in the park once it opens.
