Supply List

Required Materials:

• Computer with internet access
• Final Project Materials – Participants will be asked to create and present a final project using a medium of their choice. Depending on their chosen medium, participants may have what they need already, or may wish to acquire additional materials

Optional:

• Webcam
• Headphones/Earbuds
• 1 Gallon Ziploc bag
• Digital camera or cameraphone
• Mobile Device - We will be using a website called Crowdpurr to conduct live polls and trivia. This site can easily be accessed from your web browser, but some people find the mobile version much easier to use.
