Space Shuttle Full Fuselage Trainer
Crew Compartment Tour WAIVER FORM

The Museum of Flight Full Fuselage Trainer is an historic artifact and represents the actual Crew Compartment of the Space Shuttles. Visiting the artifact presents certain risks and all visitors must follow the rules listed below. The Museum reserves the right to cancel tours at any time.

The Crew Compartment is a confined space. Entry is via a small hatch. Flight Deck access is via a narrow ladder. For safety reasons, all tour participants must meet the following requirements:

**Clothing requirements:**
- Closed-toe, closed-heel shows with a non-slip sole
- No skirts, dresses or kilts
- All bags must be left outside

**Physical requirements:**
- Must be able to stand from kneeling without assistance
- Must be able to climb ladders without assistance
- Must be able to navigate a hatchway 2 feet, 3 inches wide
- Must be comfortable with heights and closed spaces
- Maximum visitor height is 6 feet. 4 inches

**TOUR RULES**
1. Visitors touring the Crew Compartment must be comfortable and able to move through low lighting levels, narrow walkways, confined spaces and low ceiling heights without assistance. Visitors must proceed cautiously through the Crew Compartment to avoid damaging themselves and/or the artifact.
2. Visitors must be able to fit through the small round air lock to enter the Crew Compartment. Visitors to the upper section of the Crew Compartment must be able to climb a short steep ladder and also descend on same ladder.
3. Visitors touring the Crew Compartment must wear sturdy, closed-toe shoes. High heels, sandals, and shoes that expose the feet are not permitted.
4. Visitors touring the Crew Compartment may not board with bags or backpacks. The Museum is not responsible for bags and backpacks left unattended.
5. Visitors touring the Crew Compartment must be at least 10 years of age. Visitors between the ages of 10 and 15 must be accompanied by an adult.
6. Visitors touring the Crew Compartment must follow the instructions provided by the tour guides.
7. Visitors requiring assistance during the tour should contact the tour guide.
8. Visitors must execute this Waiver and Release to be admitted to the Crew Compartment for a tour.

**WAIVER AND RELEASE**
- I, the undersigned have requested a tour of the inside of Full Fuselage Trainer Crew Compartment.
- TMOF has agreed to allow me to tour the Crew Compartment for the purpose of learning about space travel and history.
- I have read the Tour Rules listed above and agree to abide by the rules.
- In exchange for the right given to me to tour the Crew Compartment, I hereby release and forever discharge TMOF from any and all claims for bodily injury or death arising out of the tour of the Crew Compartment. I further release TMOF and any professional medical personnel from any claim whatsoever arising from any emergency first aid or medical treatment given to me in the event I am injured in the course of touring the Crew Compartment.

This agreement shall be governed in all respects by the laws of the State of Washington exclusive of any conflict of laws provision. I certify that I have read and understand this waiver and release and that it is given voluntarily in full recognition of the risks involved. I assume those risks. **NOTE: Children 10 to 15 must be accompanied by an adult who must sign this waiver form for the child.**
