Competition
The top 12 photographs (four from each age group) will be featured in a photo exhibition at The Museum of Flight in the Alaska Airlines Aerospace Education Center. A first-place winner from each age group will be announced at the exhibition opening on May 30, 2020.

Who May Enter
This competition is open to kids age 5 to 17. Participants will be put into three age groups: Stratus (age 5 to 8), Cumulus (age 9 to 13) and Cirrus (age 14-17).
Judging Criteria/Selection Process
All eligible entries will be judged by a selected jury of Museum Volunteers and Staff. Decisions will be based on creativity and adherence to the theme.

Theme
The theme of the competition is the “Spirit of Flight” and photographs depicting any subject within the theme are eligible. Photographs not suitable for viewing by the general public or a family audience are not eligible. As this call is for authentic photographs of the real world, please do not digitally enhance or alter your photographs beyond the basic corrections to achieve realistic color/grayscale balance, contrast and sharpness.

Release
Accepted photographs may be reproduced by the Museum solely to promote the Exhibition and Competition.
